7309 Clybourne Avenue, Unit 3  
Sun Valley, California 91352

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.*

*Original Product Type Certificate Number :* 4A26  
*Make :* The Boeing Company  
*Model :* 707-300, -400 Series

### *Description of Type Design*

**Change:** Installation of Stretcher Carrier, in accordance with FAA Sealed Air Medic Stretcher Carrier Master Drawing List AM-2001, Revision "A", dated January 28, 1977, or later FAA approved revision, and utilization in accordance with Air Medic Operations Specifications AM 2017, is required as part of this installation.

**Limitations and Conditions:** The approval of this change in type design applies basically to the Boeing 707-300 and -400 Series only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between the change and those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.
